WARREN EDWARD FORNEY.)

THIS MATTER is before the Court on the Defendant's Motion for Access to US District Court Records [Doc. 89].

In the motion, counsel states that he has recently been appointed by the Fourth Circuit Court of Appeals to represent the Defendant in connection with a possible petition for rehearing and/or for a writ of certiorari. Counsel asks that the Court grant him access to "all of the US District Court documents and PACER entries in this case." This Court is not in a position to provide counsel with access to PACER entries. Therefore this portion of the motion must be denied. Since counsel has been appointed to represent the Defendant, he should be able to review, as a matter of course, filings in this Court's ecf system regarding the Defendant. Therefore this portion of the motion is

denied as moot. It is unclear whether counsel may be seeking other documents. Therefore the motion will be denied without prejudice.

IT IS, THEREFORE, ORDERED that the Defendant's Motion for Access to US District Court Records [Doc. 89] is hereby **DENIED** without prejudice.

Martin Reidinger
United States District Judge
